The first European regional meetings, "The Workers economy", will take place from 31 January to 1 February 2014 in the premises of FRALIB, factory occupied by workers defending their jobs.

These meetings are a continuity of the international meetings called 'The workers economy', organized since 2007 from the experience of recovered companies, and other movements for the self-management of work in Latin America.

Organization: "International meetings - the workers economy" organizing Committee, program of the open faculty, UBA (Argentina).

Fralib workers in struggle.

Self-Management Association (France)

Workers Control.net Network

Co-organizers: ICEA (Spanish State)

Members: ASPAS (Association Solidarité Provence / South America)

Information and registration:

economyworkersmarseille2013@gmail.com
